by Brown Industries, LLC

# CUSTOM RAIL TRUCKS

If you can dream it, Brown Rail can design and build it.

Brown Rail is a leading manufacturer of customized rail trucks. We build highly customized rail trucks in less time than most. From welding to rail testing applications, built on a heavy or medium duty chassis, if you can dream it, Brown Rail can build it.

Turn your next customized rail truck into reality in less time with Brown Rail.

Making life on the rails easier and more productive. Brown Rail.
